

Smart Child Care Classes

For parents and child care providers!

Do you ever have moments of frustration with your children or those you care for? Do you need some ideas to help the children overcome boredom or bad behavior? As you care for your children, would you like to be more effective, positive and happy together?

Join us for a FREE 6-hour series of classes that will focus on:

- Understanding social and emotional development in young children.
- Clearing up expectations for children and maintaining household rules.
- Teaching problem-solving skills.
- Strategies to promote positive behavior at home and in public.
- Establishing positive daily routines.
- **Food and child care provided while you attend!**
- **Bonus gas cash incentive for attending and parenting book for completing all classes!**
- **Call 801-468-3177 or 3175 for details and to register.**
